EI\_E27\_002

# ELEMENTARY

## Simple In Design

AMBIGUOUS IN APPLICATION

EI\_E27\_003

The source of illumination, introducing URA LED String Bulb, blended with the aura of elegance, beauty and charm.

## Technical Specification

Item model number	E1B1
Voltage	240 volts
Specific Uses	Decorative
Input current	60mA
Type of Bulb	LED
Cap Type	E27
Luminous Flux	65 lumen
Wattage	0.9 watts
Colour Temperature	2700 Kelvin (Warm White / Cool White) / RGB
Colour Rendering Index (CRI)	80
Average Life	15000 hours

“For the buddies exploring the deep oceans and trenches of the orb. For those traversing the murky dens and forest dense. For the soldiers at the frontiers, we recite the story of their valour. For those hitchhikers and mountaineers and the cities envisioned to be forged as Smarter. Let all those ardent ramblers and valiant warriors be endowed with an allure of URA”
